

The Butchart Gardens is looking for an individual to fill the following full-time position:

DEPARTMENT: MAINTENANCE
POSITION: ELECTRICIAN

This is a full-time position within the Electrical division of the Maintenance Department working with a dedicated team to maintain, install and service a wide variety of electrical building systems and related equipment. Under the direction of the electrical supervisor, this position works alongside our other departments to support their unique needs and systems. Although shifts are primarily Monday through Friday, occasional evenings, weekends, overtime and on-call work will be required. The successful candidate would be able to work both indoors and outdoors, in inclement weather in all seasons.

Duties and Responsibilities

Working under the direction of the Electrical Supervisor:

- Install, maintain, and service a variety of building systems and related equipment including but not limited to emergency lighting, fire alarm, telephone, data cabling, fiber, DDC, controls, security, audio and video.
- Install, maintain and service distribution systems of 120/208 and 600 volt 3 phase related to building lighting, HVAC, outdoor lighting, water delivery systems, emergency generators etc.
- New electrical installations; EMT/PVC conduit, overhead and underground installations, wood frame and steel stud.
- General servicing and troubleshooting of office, commercial kitchen, marine, greenhouse, specialized equipment, fixed and mobile communication equipment.
- Assist supervisor with project requirements, specifications, material lists and estimating.
- Perform work at a Journeyperson level, maintaining necessary records.
- Residential experience would be an asset.
- Other duties as required.

Requirements

- Valid Red Seal TQ as an Electrician. (Construction or Industrial).
- At least 5 years as a Journeyperson, well rounded, in all phases and types of electrical experience.
- Excellent communication, interpersonal and organizational skills with the ability to analytically problem solve, prioritize, multi task and work independently.
- Qualification and experience as an FSR B would be an asset.
- Accreditation and experience related to data cabling, control systems, life safety systems, communication equipment and DDC would be an asset.
- Competency to interpret and work from plans, and trouble shoot from schematics.
- Working knowledge of the current Canadian Electrical Code and other applicable codes, regulations, and standards.
- Familiarity with and adherence to WHIMIS, and Work Safe BC regulations.
- Valid BC driver's license and clear driver's abstract.
- Proficient with computers and Microsoft Office Applications.
- Must be capable of physically demanding work both indoors and outdoors in all types of weather and a physical assessment is required
- Must supply own hand tools.

This is a full-time, year-round position with a 6 month probationary period. Shifts will primarily be scheduled Monday to Friday, 7:00am to 3:00pm with occasional overtime, evening and weekend work required. After successful completion of probation, this position would be required to participate in our on-call rotation. This position is also contingent upon successful completion of a physical assessment and clear driver's abstract. We offer competitive wages up to \$40.50 per hour dependent on experience and qualifications, The position will include 3 weeks of paid vacation, ***(plus an additional 2 weeks paid staff holidays during The Gardens closure each year)***, health and dental benefits, Health Care Spending Account, and matching RRSP plus 1% upon completion of a successful 6-month probationary period.

Please submit a cover letter, resume and copy of Trade Qualification to: Human Resources, The Butchart Gardens, 800 Benvenuto Ave, Brentwood Bay BC, V8M 1J8, Tel: 250 562 4422, Email: hr@butchartgardens.com
